Description

**** SOLD ****

Set in the heart of the bustling market town of Turre, this well presented 3 bedroom village house offers you a slice of Spanish heaven.

Turre is a traditional Spanish town that offers an abundance of local amenities, such as banks, shops, supermarket, doctors, banks, bars and restaurants.

It also has a weekly Friday market, where it is possible to purchase so many things, from fresh bread and fish to clothing and household goods.

Located on a quiet side street (but a very short walk to all amenities), the village house offers an ideal home for someone looking for a traditional home which has been renovated to offer a key turn ready property.

Internally there is an entrance hallway.

Immediately to the right is the first double size bedroom alongside a guest bathroom, which could potentially have a shower installed if required.

Glass bricks have been installed to make the most of the natural light coming down from the sky light.

Continuing through the property is a central living room and towards the back is the large kitchen and dining room.

A separate utility room offers the ideal area for additional storage or the potential for an additional bathroom.

Marble stairs lead up from the lounge to the upper floor where there is a second double bedroom and a modern family shower room with grey tile finish and large walk in shower.

The third double bedroom is perfect as the primary room as it has access to a private terrace with views over the town rooftops and out to the surrounding mountains.
